A classic camper design for your VW, with high quality cabinets running down the offside of the interior alongside the RIB Altair 2-seater bed design. Appliances include the SMEV 2 burner gas hob, SMEV sink, SMEV oven/grill and the Waeco CRX50 fridge. Our Haughmond design maximises storage for you with overhead cupboards, wardrobe and generous under bed storage solutions. The double seat bed system is situated in such a way that you retain a generous boot area for all of your camping equipment. The Haughmond is available as a 2 or 4 berth camper – with the use of an upper roof bed in the elevator to give you the extra two berths if required.

HAUGHMOND KEY FEATURES

- Full interior lining, sound proofing & flooring
- Reimo or SCA elevating roof with optional upper roof bed
- Privacy windows with blackout curtains or blinds
- Kitchen unit with Smev 2 burner gas hob & matching sink
- Smev gas oven or microwave & grill
- Waeco CRX50 fridge with removable ice box
- Overhead storage cupboard above kitchen unit
- Wardrobe unit with tambour door access
- Matching table on slide rail
- 12v & 240v power management electric system
- Low energy LED interior lighting
- Onboard fresh water
- Gas installation with metal gas box fully certified
- 112cm or 120cm RIB Altair 2 seater bed upholstered in VW fabrics

HAUGHMOND ADDITIONS

- Diesel or gas blow air heating
- Solar charging roof panel
- Full leather seating
- VW cycle rack
- Roof rails & bars
- Alloy wheels & body styling

The Lythwood conversion boasts a 3 seater 130cm RIB bed making for both a practical conversion with a wider bed and extra seating, ideal for families as a multi-purpose vehicle. A unique L shape kitchen design that works perfectly around the wider bed and extra seat. Boasting a combination sink and 2 burner hob, 12v fridge and microwave – the Lythwood gives you all the creature comforts along with the practicality of up to 6 travel seats. The inclusion of an elevating roof & roof bed, the Lythwood is a comfortable 4 berth camper. Our overhead cupboards affords you yet more practical storage solutions and the gas safety box is neatly tucked away behind the fridge.

LYTHWOOD KEY FEATURES

- Full interior lining, sound proofing & flooring

- Wardrobe unit with tambour door access
- Matching table on slide rail
- 12v & 240v power management electric system
- Low energy LED interior lighting
- Onboard fresh water
- Gas installation with metal gas box fully certified
- 130cm RIB Altair 3 seater bed system upholstered in VW fabrics

LYTHWOOD ADDITIONS

- Diesel or gas blow air heating
- Solar charging roof panel
- Full leather seating
- VW cycle rack
- Roof rails & bars
- Alloy wheels & body styling

The Clee conversion is unique in its design, offering a cassette toilet to the rear and with the RIB Neptune seating, you get maximum use of the length of the camper with free access of the central gangway. A rear elevating roof gives you maximum headroom in the living area at the rear by the galley style kitchen. The RIB Neptune seats offer two belted travel seats making the Clee is a four-seat vehicle and can sleep up to 4 people with the use of a roof bed. Its the perfect conversion for long camping trips away, giving you all the facilities you need with the bonus of having your own private toilet. All Bodans conversions use the highest quality components ensuring maximum safety and durability.
